The last day of term at each dojo will be a fun & games day. You are not required to wear uniforms. For Wantirna Juniors there will be one general time slot for all grades from 6:30 to 8:00pm. Bring a plate of snacks if you wish.

Soon we see the conclusion of another great year with all our students achieving higher levels of proficiency. This was prevalent in the performances by the students from all the dojos at the Presentation Night. Congratulations to all the students and the their respective instructors.

The demonstration put on by our Senior and Intermediate students were nothing short of brilliant. Those Junior and Pre School students who witnessed it would have been inspired I am sure. Congratulations to you all.

Once again congratulations to all the award winners in the various categories and the overall award winners. As far as we are concerned you are all winners, but only a few of you can get a trophy.

We thank those parents and students who helped with setting up and ushering.

**We Wish You All a Merry Christmas
